

# Vintner Portable

## The Portable Sales Executive Solution

*Vintner Portable* has been designed for the Sales Executive on the move. It provides easy access to sales information, stock availability, customers, prospects, prices, competitors and all other information necessary to complete a successful sales visit.

Linking to *Vintner Enterprise*, it is a portable version of the main office system which can be updated quickly and easily via the internet or the office LAN when required. No internet connection is required for daily use.

Although designed specifically to take advantage of the new generation of lightweight, ultra portable Netbooks, it is fully functional on any laptop.

### Functionality includes the ability to:

- Take Sales Orders
- View Stock availability
- Record Samples and P.O.S
- Plan visits and record outcome
- Record Competitor's products and prices
- Access Sales information and analysis
- Produce powerful Sales reports
- Create proposals for Prospects
- View, Print or Email Reports
- Synchronise data quickly over the Internet
- Set up special prices and submit for management approval
- Present proposed wine lists with customer bin numbers, prices and tasting notes

*Vintner Portable* provides everything a Drinks Trade Sales Executive requires to keep him ahead of the competition in a highly competitive marketplace.
